We Go Above & Beyond On Our Every Job...

COMPANY PROFILE

Er. SANTOSH SENAPATI

Managing Director

“Today, KPL Group is one of the main leaders in the construction business of Odisha. Since its creation over 3 decades ago, we have been working to preserve the values which ensure a permanent commitment of our teams to a common goal commitment for a common goal: YOUR SATISFACTION. Our objectives: safety, service, and comfort to make sure your construction period is always enjoyable. The KPL Group is the result of a many years of experience in the field. I would like to thank all our clients and partners for the trust they have given us over the years by ensuring that KPL Group make each of your construction project an unforgettable experience.”

MISSION & VISION

KPL Group provides professional, client-focused construction solutions. We share more than three decades of industry-leading service excellence with every client we meet. We offer general contracting, pre-construction planning, construction management, and design-build services for projects of all sizes – from a single store office to multi-floor building programs that valued in crores.

With our continuous effort to rise above every possible excellence, we strive to be a world-class real estate and infrastructure development company committed to total client satisfaction and enhancing business partners' value by multiplying our core strengths – superlative service quality, innovative design, cutting-edge technology, timely completion and demonstrating ultimate standard of workmanship. We aim to grow by continually providing significant services, products and solutions to businesses we already serve, and to expand into new areas that build on our competencies and client interests.

We are continuously on a mission to strengthen our position as a market leader in infrastructure construction and real estate development projects. Being a company that clients want to work with and employees are proud to work for is our primary vision statement. Our team is pledged to provide value-added construction services to our customers by creating a successful partnership with them throughout the construction process. We are concrete aimed to establish lasting relationships with our customers by exceeding their expectations and gaining their valuable trust through exceptional performance by every member of our construction team.

WHO WE ARE TODAY

Founded in 1988, KPL is headquartered in Odisha with a wide network of service locations (more than 250) in India. Our annual volume in a diverse range of construction markets is increasing exceptionally every year. We are a 100% employee-owned company whose daily actions are guided by its core values. Our commitment to outstanding job completion, exceptional client service and superior safety performance has made us a partner of choice in the construction industry.

Partnering with KPL Group provides your construction project with the experience needed for best success, including extensive self-perform capabilities and multi-disciplined groups with leading-edge technology. KPL Group's team of employee-owners hails from every craft and expertise in the field, allowing us to combine innovative construction methods and accountable project management to get the job done and get it done right.

THE BUSINESS THREADS OF KPL GROUP

At KPL Group,, we are renowned for service excellence in a diverse range of construction market. Our extensive experience and glorifying business partnership in each and every realm of construction business makes our team fully qualified to serve client's extensive and complex requirements. From high-end Government projects to commercial constructions; KPL Group has been dominant throughout its all serving years. Our team carefully plans logistics to every task, prepares for a focused approach to safety standards and always takes appropriate steps to minimize disruption and control costs.

KPL Group has business associate threads such as KPL Associate and KPL Enterprise to effectively offer clients the best construction associate materials available in market. We have partnered with industry renowned brands to deliver you the most optimally available construction associated materials with cost effective prices.

KPL ASSOCIATE

We know how crucial it's to have highest standard building materials for your construction projects. KPL Associate is a subsidiary of KPL Group and associated with globally renowned brands such as Essar Steel, SAIL, TATA TISCON, ACC Cement, Ambuja Plus, UltraTech Cement, ORIENT, PLASTO and more. With our effective planning, high-end design, and quality construction material supply, superior result is only the output that all our clients are going to receive. Our team understands the unique and complex challenges of completing construction activities at large areas and new sites, thus making them reliable to successfully handle various types of construction engineering.

FUTURE OF KPL GROUP

Beyond Your Expectation. . .

We believe that providing supreme satisfaction is key to unmatched success. Whether for tailored services or relevant experience; we always aim to jump ahead of our current limitation and clients' expectations. KPL Group strives to be a construction contracting firm which develops the lives of thousands or even millions. Our team desires to handle even more demanding scenarios in future. We tend to work with businesses that are result-driven and are interested in setting real goals and meeting objectives. KPL Group is excited to work clients with aggressive desires.

**Let's join hands & move forward to a fruitful
future where success and profit are inevitable.**
